Collector. Correspondence (1933–1955); books (1833–1959) about railroads; printed material (1935–1960) also about railroads, including travel brochures and timetables; maps (1834–1883, ca. 1955) relating to early military posts in Oklahoma Territory and surrounding states; and notebooks (1934) kept by Fink.

About the collection:
This collection contains information on the East central oils and Gas region in Indiana - approx. 1894-1910. It covers churches, schools, oil and gas development, the Steam Railroad, people, Indiana Pipe Line (the former Interurban), factories, shops, etc. The collection also includes research notes relating to early mining camps, military posts, railroads, and travel brochures of the Southwestern United States.
