Indian Territorial Medical Association Collection

Professional organization. Minute books (1881–1904) recording the proceedings of the Indian Territory Medical Association; and a college term paper (1956) regarding the history, origin, and governance of the Indian Territory Medical Association.

Folder:

1. A photocopy of the Association's minute book, Vol. I, covering 1881-1894. This book contains minutes of meetings, lists of members according to specialty, and titles of papers being presented, among other things. A note by Dr. R. Palmer Howard explains why some of the pages were not copied.
