University of Oklahoma College of Pharmacy Collection

University college. Constitution and bylaws (1938); programs (1934–1948) of the annual conventions; programs of the annual banquets (1939–1943); and a placard (1944) of the Oklahoma University Pharmaceutical Association. The placard is for the association’s War Conference and bears the inscription “Pill-Rolling for Victory.” The collection also contains correspondence (1939) regarding the possible appointment of Everett E. Duncan to the Federal Trade Commission.
